PRAISE

"Mark inspired me as President of a 1,000-student school — and again as CEO of a $2.7B bank. He doesn't just inspire employees; he inspires the people who lead organizations."

Michael Welch — CEO, UniBank

"People sometimes need a no-BS assessment of their operation. Mark spots the opportunities fast — and makes people self-reflect instead of self-destruct."

Drigo Celis — Managing Partner, Texas Roadhouse
